Themed photographs!!

Support the experiences of viewing the DVDs with Film Stills.
These tactile activities provide a closer sitting environment for care-recipients and care-givers
and allow the care-recipient control of the engagement and handling time

Hi quality images from Judi's iStockphoto Portfolio
21 Themed Lightbox Collections

Visit our DVD [Support Resources](#) Page for suggestions on using our Films
Stills, Weekly Calendars to assist recognition of themed images,
with your printed Films Stills

[Use film stills and other items portrayed in the DVDs for
Making a Memory Box for discussion and reminiscence
Free Instructions](#)

Our PhotoBooks!!

Our non-verbal PhotoBooks may be used at any time, or after a care-recipient has viewed the
same themed DVD. The photos provide a closer, tactile media to support recognition of the
movie images and assist memory stimulation and communication.
These PhotoBooks are beautifully bound & printed, or ready-to-print from the CD.
